

Our Covid-19 Summer 2020

It has been difficult to produce a 'normal' summer, but our main aim is to arrange get togethers whilst keeping you and staff safe.

Please note the following before booking

- We will ensure that cleaning and social distancing will be followed. We will not do anything that is not safe.
- PLEASE help us by booking as soon as possible and not leaving it till the last minute.

Places will be allocated on a first come first serve basis.

- The office is closed, and staff are working from home. DO NOT send your booking form to the office as it will not be received or processed.
- Do not leave messages on the office answerphone (call Kerry direct using the family days mobile 07746 141 349)
- With just 6 families on some days, if you book and fail to show or cancel, this will affect future bookings you have with us. If you are not sure you are going to attend, don't book.
